## COMMISSIONERS' REPORT

---

*To the Citizens of Hillsborough County:*

In accordance with Public Statutes of the State of New Hampshire, the commissioners submit their annual report, to which we trust you will give your kind consideration.

The unemployment of able-bodied persons is still a major problem in our county. It is the firm belief of your commissioners that every able-bodied man and woman would not be the recipient of the necessities of life if employment could be secured to insure their independence for themselves and families.

Nashua and the twenty-nine towns have shown an increase in employment the past year, and with new industries coming to Manchester and P. W. A. projects still carrying on, the relief load has shown a substantial drop in case load.

Our Grasmere institution and hospital have been called upon to render the same efficient service to the unfortunate of our county. Charles P. Connor and Miss Addie M. Moore, R. N., are still serving as superintendents.

Deputy Sheriff John T. O'Dowd and Mrs. O'Dowd continue as jailer and matron of our jail and render excellent service to our county.

Damase Caron, M. D., Richard L. Murphy, M. D., and Edward B. Swett, M. D., head our staff of surgeons and physicians, and along with the rest of the staff have rendered competent medical service to the unfortunate of our county. We wish to express our thanks to them for the services rendered.

Your commissioners have used their best efforts to provide for every deserving needy man, woman and child, wishing at all times that employment might be secured for them to lighten the load that the property taxpayer has to bear.

Your Commissioners have at all times realized that every dollar spent must come from the property taxpayers, and so your servants have made an earnest effort to show as much economy as possible under the most troublesome times that your county has ever been through.

We wish to express our thanks to all federal and state officials, Mayors of our cities, Commissioners of Charities, Selectmen, Overseers of the Poor, and all who assisted in many ways in relieving distress among the unfortunate.

The commissioners extend to the taxpayers a most cordial invitation to visit their institutions.

JOSEPH E. HURLEY,  
GEORGE J. GINGRAS,  
JAMES H. CONNOR,

## REPORT OF THE SOLICITOR FOR THE COUNTY OF HILLSBOROUGH

---

This report of the solicitor of the County of Hillsborough is made on the last day of his term, and for convenience includes not only the year 1936 but is made to embrace his activities for the January term of 1937. A steadily increasing volume of cases handled is noted by comparison with the report of the solicitors for other years.

During the January term of 1937, the unusually large number of one hundred thirty-two indictments were returned by the Grand Jury. In addition, thirty-five cases of misdemeanors represented by appeals from the municipal courts of the county came to the attention of the Superior Court. These matters have been disposed of, as have all other active cases, so that the docket is cleared for the opening of the April term of court. The cases remaining are those in which the respondents have not been apprehended or are incarcerated in prisons, jails or other institutions.

Indictments and appeals for the year 1936 and 1937 were as follows:

### JANUARY TERM, 1936

Number of Indictments Procured .....	100
Number of Appeals Entered .....	50

### APRIL TERM, 1936

### SEPTEMBER TERM, 1936
